

2016 Primary Election Ballot Choices

These are my suggestions for who to vote for in this 2016 Primary Election. Some races will not be on your ballot, so read through them, print this out, bring it with you to the poll or have it with you when you fill out your Absentee Ballot, and MAKE SURE TO VOTE YOUR WHOLE BALLOT! There are some races that I have purposefully left off the list because I am not formally endorsing any candidate. If you have any questions about those races, feel free to contact me.
